CalHIVE BHI Connect – December 2023

Thank you to all the team members for all your enthusiasm, persistence and hard work setting the stage for behavioral health integration at your organizations over the last seven months. We hope you and your teams get to restore and recharge before we come together again in 2024.

In the spirit of continuous improvement, we invite you to take the CalHIVE BHI 2023 Annual Survey. We only have had three responses so far, and would love to hear from every organization.

Learning Events

Our final virtual learning event of 2023, CalHIVE BHI Commons: Hello 2024, Goodbye 2023, will be Tuesday, December 12 (11:00-12:00). Our team will highlight accomplishments from this year and preview 2024 program plans. Then, three teams will highlight an area of BHI that they have been working on and what they are planning for next year, followed by breakout rooms for peer sharing around launching BHI, PHQ-9 workflow and setting up the clinic space.

Be on the look out for 2024 Learning Event (Commons and Optional Webinars) invites in December.

Data

Once again, thank you to all the POs for your Cycle Test 2 data submission. We appreciate your continued work towards mastering the data submission requirements and process. Friendly reminder, the next data submission is not until **April 2024.**

During this busy time of year, we want to pause and thank all the teams making time in their schedule to connect with our data consultants, BluePath Health.

Improvement Advising

Thank you to all the teams for completing Section 4 – PHQ-9 Screening of your Implementation Plan. Section 5 – BHI Billing and Coding is due to your Improvement Advisor on Wednesday, January 31. If you are a looking for resources to help complete Section 5, visit the CalHIVE BHI website or reach out to your Improvement Advisor.

We're also happy to share the IMAT/Needs Discussion Trend Report, a compilation of all organizations' IMAT scores and needs discussion meetings, with PO examples highlighting successes across the 9 domains.

PO Spotlight

This month's PO Spotlight features Pomona Valley Hospital Medical Center. Read on to learn more about their Integration Model selection process.

Upcoming Events

View all CalHIVE BHI Events in the 2023 Program Calendar. All meeting materials are posted on the CalHIVE BHI Program Website. Questions on upcoming events or invitations? Contact Anna Baer abaer@pbgh.org
