### CalHIVE BHI Connect - August 2024

Can you believe it has been nearly three months since our May 2024 CalHIVE BHI Convening in Long Beach? We are excited to [share videos](#) from convening participants explaining why behavioral health integration is important to them, their teams and the patients they serve. Check out the spotlight section of this newsletter to find all the videos.

### Learning Events

Join this month's CalHIVE BHI Commons on Tuesday, 8/13 from 11 a.m. to 12 p.m. to ask questions of a practice with over ten

years of BHI experience during our “virtual site visit,” led by Meghan Fondow, PhD, from Access Community Health Centers in Wisconsin. Our second webinar, BHI Model Office Hours, on Tuesday, 8/27 from 11 a.m. to 12 p.m. will allow you to connect with peers and share questions and lessons around PCBH or CoCM implementation.

### **Data**

Thank you to all teams for your hard work and continued perseverance on Cycle 1 Data Submission. The next data webinar, Cycle 2, will be Thursday, 9/12 from 12 p.m. to 1 p.m.

Later this month, we will be providing access to our Tableau data dashboard that will depict your global measure performance during CalHIVE BHI. This interactive tool will provide insightful visualizations to help you make informed decisions and monitor progress across your network and pilot site.

### **Improvement Advising**

Thank you to all teams for continuing to revisit and revise your Section 7 Implementation Plan for BHI workflows. In September, we will release Implementation Plan Section 8 - Updates and Improvement, which will be due Monday, 12/16. You will have the opportunity to work on Section 8 with your IA during Improvement Advising meetings.
