BHI - CYCLE Connect - November 2024

Thank you to all the teams for sharing during our first BHI – CYCLE Commons; we were inspired by your dedication to BHI – as well as the fun mascots you all chose to represent your teams.

Reminder: please submit your [Project Description](#) as soon as possible to [Anna Baer](#).

Our team is planning the 2025 site visit to Rady Children’s Hospital. We welcome feedback on the site visit design planning via this [survey](#) until **Friday, November 15!**

Learning Events

Next **Monday, November 4 (12 p.m. – 1 p.m.)** we will host the BHI – CYCLE Commons Webinar on BHI Workflows. Rady Children’s Hospital will provide an overview of BHI workflows at their organization. Thank you very much to our first cohort presenter, CHOC. The CHOC team will share their BHI workflow opportunities before we open the floor for us all to provide feedback and advice.
