BHI – CYCLE Connect – October 2024

Welcome to the first **Behavioral Health Integration – Children and Youth Collaborative Learning Exchange (BHI – CYCLE) Connect!** The Connect is your monthly newsletter where we will preview upcoming learning events, share materials and highlight impactful resources. Expect to see the Connect in your inbox the week before every Commons webinar.

Learning Events

We are excited for you all to join us next Monday, October 7 (12 p.m. – 1 p.m.) for our first BHI – CYCLE Commons Webinar,

Welcome + BHI Supporting Children & Youth. You can find a copy of the [slide deck here](#). We will provide a brief program overview before turning the stage over to Rady Children's Hospital to provide a background on their behavioral health integration program. Finally, we will hear from all the teams as they present their team introduction slides and share a little background on BHI at their organization and what they are looking to work during the program.

If you have not received the invite for Monday's webinar, please contact [Anna Baer](#).

Resource Spotlight: Program Website

Bookmark the [BHI – CYCLE Program Website](#), your spot to find all materials and resources related to the BHI – CYCLE learning program. You can find slides and recordings from each learning event as well as our program calendar and general BHI resources.

Upcoming Events
